

**Cottonwood/ Palo Verde Recreational Tennis Night**  
**Wednesday, March 10, 2010**  
(Article for Web site)

The Cottonwood Palo Verde HOA and Cottonwood Palo Verde Tennis Club are pleased to provide our annual Recreational Tennis Night on Wednesday, March 10, 2010. Its purpose is to encourage all CW/PV association members a chance to learn about the tennis opportunities and health/exercise benefits of tennis. The cost of the grilled chicken sandwich meal and drinks is \$3.00. Tickets may be purchased at the Cottonwood Resource Center.

This evening will be a social and informational one. The evenings activities will begin a 5pm and end shortly after 7pm. Activities for the evening will include information about free beginning tennis lessons offered Monday evenings, the health and exercise benefits of tennis, an opportunity to demonstrate or exchange tennis rackets, exhibition tennis with the Mesa Community College Tennis Team and a meal.

This is a chance for CW/PV association members who have ever or never played tennis to find out about what tennis opportunities exist in our Association. The evening is designed to promote health and exercise through tennis in a social and informational atmosphere. Find someone to go with or come alone. You will be welcomed. See you on the courts at Cottonwood.
